

# 10<sup>TH</sup> WORLD WATER FORUM

18-25 MAY 2024 | BALI, INDONESIA

## HIGHLIGHTS OF THE DAY 2

Nature-based Solutions have proven to be effective measures for a more climate resilient society. But a greater positive impact will be achieved if the community is involved in the process.

World Youth Parliament for Water  
Bali Youth Plan

## MINISTERIAL DECLARATION ADOPTION

134 ministerial delegates participated in the meeting, presenting reports from their respective governments on water priorities and challenges. Based on the deliberations so far, the participating delegates adopted the ministerial declaration of the 10<sup>th</sup> World Water Forum.

## PARLIAMENTARIANS SHARED COMMITMENTS

180 Parliamentarians from 49 countries participated in the 10<sup>th</sup> world water forum parliamentary meeting to discuss water policy and vision that promotes global sustainability and prosperity. The meeting addressed key issues: access to water and sanitation, innovative practices for equitable access, water's role in climate action, and water diplomacy for peace.

## REGIONAL PROCESS OPENING

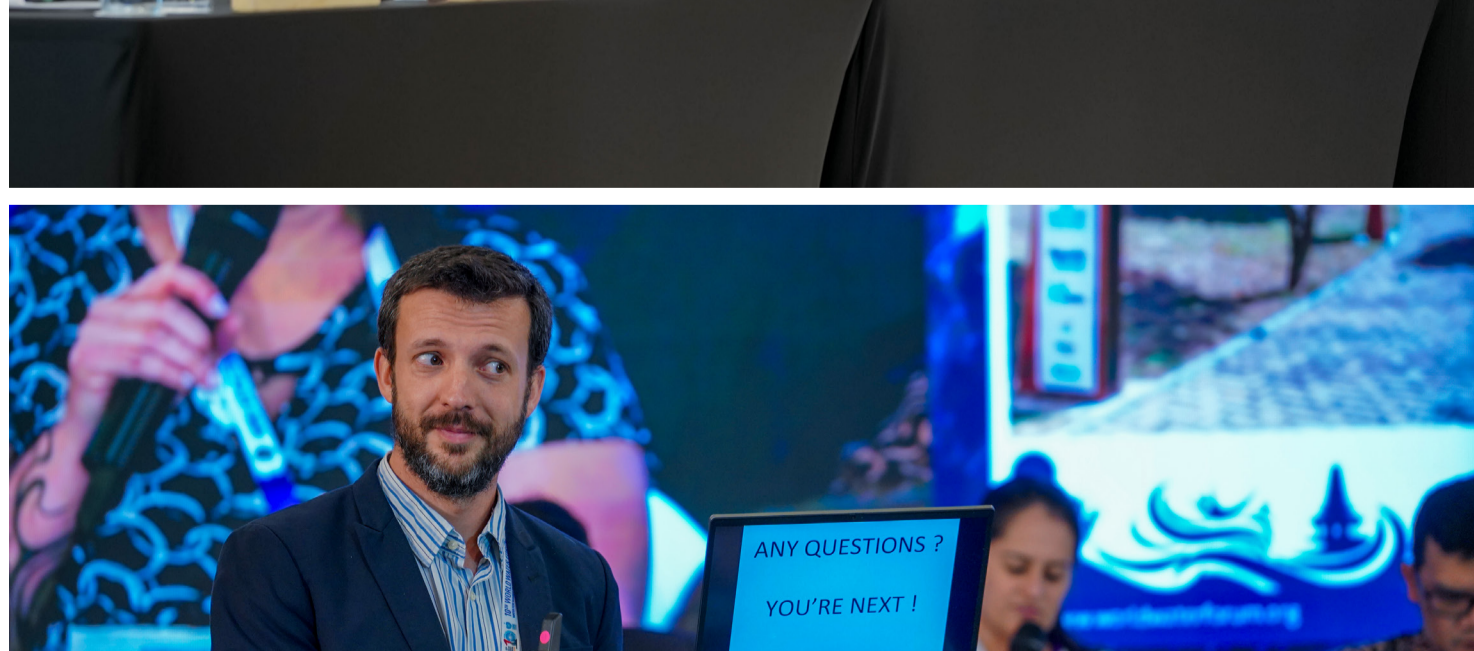

The Regional process opening provided essential information on how each regional process will share their local and regional wisdom and practices as practical solutions to one another during the Forum week.

## BANDUNG SPIRIT WATER SUMMIT

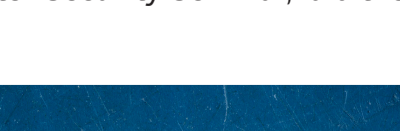

The Bandung Spirit Water Summit within the 10<sup>th</sup> World Water Forum was held to formulate a framework for addressing water issues in the Global South, based on the Bandung Spirit, and to develop a roadmap focusing on the implementation of plans and policies.

## DISCUSSIONS & DELIBERATIONS

The second day of the forum featured intense discussions on its six sub-themes, which will now be developed into concrete call to actions in the upcoming days. Special sessions on the Water, Energy, and Food nexus, as well as the 4<sup>th</sup> Water Security Seminar, laid the groundwork for advancing the water action agenda.

Come meet us and know what went behind the planning of the 10<sup>th</sup> World Water Forum.
