

Description & Rundown Bali Youth Session at the 10th World Water Forum 2024

Description:

The objective of open submission for Bali Youth Sessions are:

- To provide a platform for Bali Youth Representative to engage in meaningful dialogue and exchange knowledge on the selected sub-theme of the 10th WWF.
- To provide insights and highlighting best practices in tackling water challenges globally in the eyes of youth by encompassing environmental, social, technological and economic aspect.
- To produce white paper as recommendation for youth involvement water practice, as well as the next World Water Forum.

Participants for Bali Youth Sessions:

The participants of Bali Youth Session are divided into two categories:

1. Bali Youth Representatives
2. Bali Youth Participants
