

Asia Pacific Water Scarcity Program

Section 1: General Information	
Summary	Technical and policy support to ensure that water use is managed sustainably and productively through progressively more accurate water accounting and clear and transparent water allocation policies and processes
Proponent Name(s)	Indonesia, FAO, GWP SEA, Thailand, Vietnam
Proponent Type	National Governments
Primary Contact Name	Mohammad Irfan Saleh, ST, MPP, PhD
Primary Contact Details	mirfans@bappenas.go.id
Additional Contact Details	ewin.sofianwinata@bappenas.go.id
Region	Asia Pacific

Section 2: Commitment	
Linkages to SDG 6	Increase Water-Use Efficiency and Ensure Freshwater Supplies, Protect and Restore Water-Related Ecosystems, Expand Water and Sanitation Support to Developing Countries
Target	Improved capacity and established policy framework on water accounting and water scarcity roadmap
Linkages to other SDG	Zero Hunger, Responsible Consumption And Production

Section 3: Actions and Outcomes to Achieve Targets		
Relevant Sub-Theme	Water Security and Prosperity	
Actions and Outcomes	<p>Actions:</p> <ul style="list-style-type: none"> • Water accounting and Allocation: establishment of national multi-stakeholder team, training, formulating roadmap for internalizing capacity • Water scarcity action plan: formulating actions for sustainable water availability, efficient demand management, improved data management, and coherent planning • Regional Cooperative Platform: sharing knowledge and experience among participating countries <p>Outcomes:</p> <ul style="list-style-type: none"> • Institutionalized capacity in routine water accounting to support sustainable water resources management • Improve the governance of water management for all sectors • Improved water allocation processes and procedures 	
Implementation Period	Start Period	8/1/2023
	End Period	12/31/2024
Financial Commitment	USD 300.000
