

Water Safety Plan (WSP)

Section 1: General Information	
Summary	Support local government water utility (PDAM) to improve the supply of potable water by facilitating the preparation of training modules and capacity building of WSPs; followed by technical assistance in the development of detailed WSPs by the PDAMs. Further assistance is provided to develop WSP audit training material and support to Ministry of Health (MOH) staff (as the regulatory body) and PDAMs to conduct self-audits of the developed WSPs in accordance with the WHO guideline/Methodology.
Proponent Name(s)	Government of Indonesia, Kemitraan Indonesia-Australia untuk Infrastruktur (KIAT)
Proponent Type	International Organizations and Civil Society Organizations
Primary Contact Name	Steven Chaytor
Primary Contact Details	Steven.Chaytor@KIAT.or.id
Additional Contact Details	Benjamin.Smith@KIAT.or.id
Region	Asia Pacific

Section 2: Commitment	
Linkages to SDG 6	Safe and Affordable Drinking Water, Improve Water Quality, Wastewater Treatment and Safe Reuse, Expand Water and Sanitation Support to Developing Countries
Target	Water Safety Plans and implementing them to ensure access to safe drinking water.
Linkages to other SDG	Sustainable Cities And Communities, Climate Action

Section 3: Actions and Outcomes to Achieve Targets	
Relevant Sub-Theme	Water for Humans and Nature
Actions and Outcomes	<p>Actions</p> <ol style="list-style-type: none"> 1. Reviewed Lesson Learned from WSP experience in 3 PDAMs. 2. Capacity Building and WSP Document Development for 10 PDAMs – developed training modules, conducted training program, and technical assistance for WSP document development. 3. Technical Assistance of WSP Implementation and Audit – develop training modules, conduct training program for selected participants, and technical assistance for WSP audit. <p>Outcomes:</p> <ol style="list-style-type: none"> 1. By November 2023, 8 participating PDAMs have finalized detailed WSP documents.

	<p>2. By June 2024, 10 participating LGs and PDAMs have completed the initial implementation of water safety improvement programs/ interventions, based on their WSP (Water Safety Plan).</p> <p>3. By August 2024, national government (MOHA, MOH, MPWH/DGHS) is equipped with information about the effectiveness of Water Safety Planning to support and incentivize water utilities to improve their planning and programs.</p>	
Implementation Period	Start Period	12/1/2022
	End Period	8/31/2024
Financial Commitment	AUD 2.000.000.
